

# Planet Kids KINGS

## Medication Release & Permission to Administer

If your child will require medication of any kind (prescription or non-prescription) while at camp, please complete the information below.  
**Please note:** Planet Kids will only accept the daily dosage amount of medication each day. If your child is attending multiple weeks of camp this form is required each week.

On Monday please have this form completed giving it to the Camp Director, along with your child's medication for that day in a sealed Ziploc bag. Tuesday-Friday please give the medication in a sealed Ziploc bag labelled with your child's name, to the designated Bus Monitor or Camp Director. Unless medication needs to be stored in a fridge, medication will be given to the appropriate staff each day, it will not be kept with the camper.

### Asthma Inhalers and Epi-pens:

These are the only medications that will be kept in the possession of the camper that requires them. This form is still to be completed and signed by the parent/guardian, giving Planet Kids Staff permission to administer if required.
